

# STUDENT DESIGN AND MACHINING COMPETITION

GRAND PRIZE 2024  
CHARLOTTE, COCA COLA 600  
NASCAR RACE. HAAS VIP PASS.  
MEET & GREET WITH COLE CUSTER

## FUEL YOUR STUDENTS' PASSION FOR MACHINING!

Design and manufacture a unique part using 3D printing, and subtractive machining. The part must have a practical purpose within something like an engine, automobile, bicycle, flying drone, or another commonly used mechanism.

Register until October 31th  
You must machine using HAAS and Markforged equipment.

### WIN AMAZING PRIZES

A trip to HAAS Automation in California, tools, simulators, gift cards & more!!!
