

# PURDUE ENGINEERING

## VIRTUAL GRAD

# CAREER FAIR

MONDAY, FEBRUARY 24 • 8:00 AM - 8:00 PM

### WHY HIRE GRADUATE STUDENTS FROM PURDUE UNIVERSITY?

- ▶ **Hard-working, highly motivated, and extremely intelligent:** Purdue has selective admission standards for PhD, MS, and Professional Masters degrees.
- ▶ **Cutting-edge research and curricula:** Ranked #6 nationally and #3 among public schools for Graduate Engineering Programs according to *US News & World Report (2025)*.
- ▶ **Industry-oriented professional development opportunities:** Purdue offers programs such as research commercialization and industry tours, bringing graduate students closer to industry.

### RECRUIT STUDENTS FROM THE FOLLOWING SCHOOLS:

Aeronautics and Astronautics	Engineering Management
Agricultural and Biological Engineering	Environmental and Ecological Engineering
Biomedical Engineering	Industrial Engineering
Chemical Engineering	Interdisciplinary Engineering
Civil and Construction Engineering	Materials Engineering
Electrical and Computer Engineering	Mechanical Engineering
Engineering Education	Nuclear Engineering
	Professional Master's

### \$200 FEE FOR THE VIRTUAL GRAD CAREER FAIR INCLUDES:

- ▶ **Online access to one on one chats** from 8:00 AM – 8:00 PM EST (set a schedule that works for you)
  - These chats will be conducted in Purdue's X Engine platform hosted via Symplicity.
- ▶ **Host informal group chats or "green rooms"** with the video platform of your choice, connecting with multiple students at the same time.
- ▶ **Event and company promotion** on the Career Fair Plus platform.
- ▶ **Tech support** for both employers and students.
