"I got to participate in the actual industrial environment which is what I really wanted to do in this internship."

**-Abigail Rosendahl,
2025 Winner**

Invest in YOUR Future with ELLWOOD's Metallurgy Scholarship

Are you a college junior majoring in Material Science or Metallurgy? Apply for our Metallurgy Scholarship and gain more than just financial support. The scholarship winner will receive \$15,000 plus a guaranteed Summer 2026 internship. On top of that, up to three finalists will each be awarded up to \$5,000 with an optional Summer 2026 internship.

Why Metallurgists Choose ELLWOOD
