

TEXAS A&M UNIVERSITY

Department of Materials
Science and Engineering

Texas Semiconductor Institute

Semiconductor Research Experience for Undergraduates

May 26 – Jul. 31, 2026

Application deadline: Rolling Deadline beginning January 15.

HIGHLIGHTS OF THE PROGRAM:

- Hands-on semiconductor materials research opportunities
- Visits to semiconductor fabrication facilities
- Career exploration workshops for scientists and engineers in the semiconductor industry
- Seminar on semiconductor device fabrication and processing
- End-of-the-Summer Research Symposium

DETAILS FOR THE STUDENTS:

- 10-week period that will be on campus at Texas A&M University, College Station
- \$6k stipend "*fellowship*" for the 10-week period
- \$500 travel allotment (to cover travel to/from College Station for the 10-week period)
- On-campus student housing or off-campus housing voucher provided
