

THE ENGINEERING SUCCESS CENTER

# **FREE PEER TUTOR PROGRAM**

The ***College of Engineering's*** ESC peer tutoring program is now accepting walk-ins and appointments for the spring semester!

The program boasts 18 high-achieving tutors, trained according to the College Reading and Learning Association's International Tutor Training Program standards and academic support in 40+ courses. Tutors have taken the courses here at Purdue and possess a good understanding of what it takes to pass them and are prepared to facilitate the deepest level of conceptual understanding necessary for successful course performance. Students are encouraged to use these resources not only when they feel stuck or behind, but also to confirm their understanding, get ahead, maintain a steady pace, overall peer support and confidence boosters!

All Sessions are held in **Lambertus Hall, Room 2235**
